The Effortless Dress

The jersey fabric is soft; the shapes are body-friendly and chic.

STEAL

The flattering drape of this easy chemise offers camouflage (should you need it) for hips, stomach, and thighs. And the color is no shrinking violet.

Necklace, Miriam Haskell.

GOOD DEAL

Modern goddesses, take note: A wrapped and knotted dress in heather gray sculpts your figure *without* sit-ups. It works equally well over a casual tank or upgraded with silver party shoes.

SPLURGE

Here's a silhouette designed for a woman's body: a short-sleeved bodice (lovely upper-arm coverage) bloused over a slender ruched skirt, in cooler-than-cool lemon ice.

Necklace, Devon Leigh.
